FOR INTERNATIONALLY—RECOGNIZED ATHLETES

--ALL STAKEHOLDERS--

WORLD-CLASS ATHLETE MANAGEMENT GROUP HAS MADE IT EASIER FOR NATIONAL GOVERNING BODIES TO HELP THEIR INTERNATIONAL ATHLETES OBTAIN U.S. P-1 VISAS. OUR SUBSCRIPTION MODEL IS “INNOVATIVE” AND “GAME-CHANGING,” AND IS THE FIRST SUCH MODEL DESIGNED TO HELP MAKE IT EASIER TO HELP INTERNATIONAL ATHLETES BE ABLE TO AFFORD TO COST OF APPLYING FOR A P-1 VISA. WITH OUR SUBSCRIPTION MODEL, THE COST IS SHIFTED AWAY FROM THE ATHLETE AND MAKES IT EASIER FOR NATIONAL ASSOCIATIONS TO BETTER SUPPORT THE ATHLETE!

The Problem...

- Many international athletes, including post-collegiate athletes continue to experience a high level of stress trying to figure out how to come to or remain in the United States to continue to chase their dreams of playing professional sports in this country.
- Many international athletes, including post-collegiate athletes are not aware of the process for obtaining a P-1 visa or do not understand the qualification criteria's for obtaining one.
- Many international athletes, including post-collegiate athletes are not able to afford the cost of getting a P-1 visa or to change their status due to lack of funds.
- Many international athletes, including post-collegiate athletes quit pursuing their dreams because of the uncertainties of where to go for help.
- Many international athletes, including post-collegiate athletes sometimes overstay their visitor or student visas because they cannot afford the fees associated with changing their status.
- These are some of the many reasons we've developed a model to help international athletes.

The Solution...

- World-Class Athlete Management Group will help international athletes including post-collegiate athletes change their visa status.
- World-Class Athlete Management Group has developed a U.S. P-1 visa subscription model to help transfer the cost of obtaining a U.S. P-1 visa from the athletes to those in a better position to absorb this cost on their behalf.
- Our subscription solution means that international athletes will no longer have to worry about paying large fees to obtain a U.S. P-1 visa or to change their status.
- With our subscription model, it won't cost international athletes much money outside of the USCIS' application fee or any expedited fees to obtain a visa or to change their status.
- We offer 4 levels of subscription (see the breakdown of the subscription fee on the next page.)
- Stakeholders who signs up for our subscription will be able to refer athletes for the U.S. P-1 visa... Our model creates a win-win situation for beneficiaries, stakeholders and sponsors.
